

The result of the municipal election in our city yesterday gives promise of some needed reforms in the city government. The fearless, independent spirit manifested by a large majority of the voters was certainly refreshing to our reform element. A continuation of this kind of work means a wave of moral and political reform that will sweep the state from end to end. The STAR congratulates itself upon the part it has taken in the city election.

The Covenant Building and Loan association will pay you 8 per cent for the use of your money, or loan you theirs at 6 per cent. Which do you prefer? M. M. Little will explain to you.

The Choral Society is one of Ocala's worthy organizations, and you should give them your patronage Thursday evening.

The re-election of Mayor Reedon to the highest office in the gift of our city is a fitting tribute to his great popularity and an unqualified indorsement of his excellent administration of the past year. He was elected in the face of the strongest opposition. Dr. Izlar, his opponent, was the regular nominee and a man of irreproachable character. He made a most excellent showing under the circumstances, and would doubtless have filled the position with credit.

All patrons of the Ocala Steam Laundry are invited to visit on Wednesday and Thursday afternoons and see how laundry work is done.

A packed house ought to greet the Choral Concert Thursday evening.
